The convenient, easy way to pay your monthly water bill!

What is AUTOMATIC BANK PAYMENT? (ACH)

Automatic Bank Payment is a convenient and easy automatic payment service that saves you time, effort, and postage. This modern, electronic bank transfer ensures that your water bill is paid in a timely, efficient manner.

How does AUTOMATIC BANK PAYMENT work?

As in the past, you will continue to receive your water bill before your automatic payment is made. You will know the total amount of your water bill in advance so you will know exactly how much your financial institution will be automatically paying from your checking or savings account. This amount will be automatically paid to Council Bluffs Water Works on the due date.

The payment will be shown on the account statement you receive from your financial institution each month.
